Applied Grammar

10 a.m. - 3 p.m.

Teaching Writing through Modeling and Patterning the Structure of the English Language.

Want to get your students excited about learning English? Then attend this one-of-a-kind workshop and discover a new way to teach grammar!

Mrs. Gail Brubaker

This concept was developed by 15-year veteran teacher, Mrs. Gail Brubaker. Her Writing Program teaches students to use categorization and problem-solving instead of memorization.

This program is useful in any classroom and can be incorporated into an existing curriculum. Not only does this concept work for elementary levels, but it is also intended to take a student from their first sentences all the way through high school. You will not want to miss out on the opportunity to hear Mrs. Brubaker!

Breakout Sessions

Breakout sessions will be offered for those attendees who will not benefit from the *Applied Grammar* workshop.
