Retired Professional Oklahoma Educators (RPOE)

WHAT IS RPOE?

Retired Professional Oklahoma Educators is an affiliated organization of Professional Oklahoma Educators that lends itself to the needs and interests of retired teachers across the state.

As a retired educator, an abrupt end to years of professional activity can often lead to a feeling of disconnection. RPOE is the perfect solution to make sure that doesn't happen!

Membership in RPOE is an excellent way to stay in touch with your chosen profession after your active years are behind you.

STAY CONNECTED.

Membership in RPOE provides excellent opportunities for participation in many events, including:

- Various volunteer activities
- Workshops and other events
- Fellowship with other retired Educators

PLUS, RPOE gives each member a voice in what education issues RPOE pursues each year!

STAY INFORMED.

BE HEARD.

- POE's full-time lobbyists work diligently at the state capitol on behalf of active and retired educators for the passage of laws that will benefit you directly.
